

BC Notaries Help Area Residents with Insurance Claims

Several BC Notaries in the area are assisting people affected by the fires. On behalf of the Okanagan Chapter of The Society of Notaries Public of BC, Melody Aubin sent a letter and the following Gift Certificate to all Insurance Agents and Insurance Adjustors in the Kelowna area.

She expressed support and encouragement to residents who need insurance claims notarized as a result of their losses in the Okanagan Park fire.

The BC Notaries listed on the right are willing to sign insurance claims free of charge, as per the coupon below.
