

The Conference, held in the beautiful town of Cranbrook in the Kootenays, was one of the best yet! Participating members were treated with genuine hospitality—not only in the historic Delta St. Eugene Mission Resort, but throughout the town.

Board Meeting

Relaxation Day was filled with fun as members golfed, rafted, or played their hand at the casino.

Fun Night saw otherwise-staid Notaries in costumes, tackling a grueling obstacle course, smoking stogies, and eating cold pork and beans from the can.

Saturday night, we were enchanted by the Cranbrook Rail Museum's newly restored Royal Alexandra Room, which had been dismantled and stored at WhippleTree Junction for many years before the Rail Museum rescued it.

The Cranbrook Girls Bugle Band served at our dinner for the stipend of \$1 per plate, paid by our caterers. Hearing this, the Notaries all chipped in and added an additional \$486 to the band's kitty.

The evening was lively, with a great band and lots of merriment.
