

Society Admin Assistant Julie Boness and husband Clive went “back home” in August. They spent a week in Dorset, England, visiting daughter Sam and Liam (15), Kyle (11), and Georgia (6)—that’s Clive on the right—and another week in South Wales with son Mike, wife Helen, and Jack (10), Holly, (6), and newest edition Max (2 months). They enjoyed many day trips, picnics, and celebrating their eldest grandson’s 15th birthday!
