Dear Society of Notaries Public of BC:

I want to express my gratitude and happiness in the presentation of this scholarship award. I cannot begin to describe how much it means to feel that my academic activities have been looked upon and praised. I have currently been considering a future career in law and this scholarship will give me the first push in that direction.

Once again, thank you kindly for this award and for helping many students realize that their goals are within reach.

Sincerely,  
Diana Nguyen
