

# New Partnership Will Benefit *British Columbia*

**B**C Notaries and the Notary Foundation are pleased to announce a new partnership agreement with Scotiabank, Canada's third-largest bank ranked by assets, with more than 120 branches in BC.

For five consecutive years, Scotiabank has been awarded the title of "the best bank in customer service excellence in Canada" by the research firm Synovate and the rating of "world class" in a customer satisfaction survey of Customer Services and Support Contact Centre by SQM Group Inc.

BC Notaries and Scotiabank's MaryAnne Galeley have worked together since 1993 to provide an excellent rate

of interest return on the monies held in Notaries' trust accounts. Scotiabank's new partnership agreement will enable the Notary Foundation to maintain and increase its support of various good works programs in our province.

MaryAnne is Manager of Scotiabank's Global Transaction Banking Group—a specialist sales team

that provides sales and relationship management support and consultative services to commercial and corporate banking customers and their employees. Global Transaction Banking offers a full range of services from Business Accounts and Electronic Banking to Expense Management and Foreign Exchange transaction services.

MaryAnne joined Scotiabank in 1973 and has worked in automated services since 1975 to deliver on the bank's commitment to offer consumers and business customers financial services 24 hours a day, seven days a week, with the latest technologies available in the marketplace today.

Very involved in her community, MaryAnne has volunteered as Scotiabank Company Captain for the annual Bowl for Big Brothers Classic—which Scotiabank has sponsored since 1999—and coordinated the fundraising efforts of more than 300 employees and their families. In recognition of her dedicated efforts, Big Brothers honoured her with its prestigious President's Commendation Award in 2005. For the past two years, MaryAnne has also served on the Business Ladies Golf Executive for the Nico Wynd golf course in the White Rock-South Surrey area.

In addition to being an avid golfer and community volunteer, MaryAnne enjoys travelling with her husband and visiting her six children, 15 grandchildren, and a great-granddaughter in Alberta, where MaryAnne was born and raised. ▲
