

# Spotlight on Good Works: Kwantlen University College

## To the Notary Foundation and the BC Notaries Award Committee

Dear Ladies and Gentlemen:

I wish to extend my heartfelt thanks to you for choosing me as this year's award recipient. I feel very honoured.

I was informed that I was chosen because I am old, which made me laugh . . . I had been away from the educational field for **so** long and I am doing so well.

I certainly hope I can maintain my 4.0 GDA from first semester and be a credit to the award category.

Thank you again.

Yours sincerely,  
Theresa Laturnus

*Theresa is the mother of four teenagers. Her former careers include teaching home economics and nursing. She is looking to do her practicum with a local company.*

*Chilliwack Notary Scott Simpson, a member of the Board of Directors of The Society of Notaries Public of BC, with Theresa Laturnus, the recipient of the award, who is working toward an Applied Business Technology Legal Administrative Assisitant Certificate.*

Dear Mr. Wayne Braid:

Please accept my sincerest appreciation for your support of Kwantlen University College and its students.

Every year, hundreds of students apply for and receive financial assistance from Kwantlen. Much of the money we're able to award comes from the generosity of donors like the Notary Foundation. With this support, these students can continue their studies and achieve their academic goals.

I was pleased that Scott Simpson was able to attend the awards ceremony on January 25 on your behalf.

Throughout the evening, I was truly impressed with the quality and commitment of our students. Donors met with the recipients of their award during the reception, giving them the opportunity to hear about recipients' achievements, goals, and aspirations.

One recipient expressed gratitude with the following message

*I am honoured to receive this award and will not forget your generosity and commitment to students like myself who are working towards a better future. Thank you for helping me gain skills and experience necessary to achieve an improved way of life. I can only hope that I will be able to give back to my community as you have done and help someone with the desire and determination to realize his or her dreams.*

On behalf of the Kwantlen University College Foundation Board of Directors and the student recipients, thank you again for your continued support. We sincerely appreciate your generosity. If you have questions or comments about your award, please contact me at 604 599-2264.

We hope to see you at next year's ceremony.

Sincerely,  
Jeff Norris, Executive Director  
Kwantlen University College  
Foundation
