

## BOOKS

### *Snakes in Suits* *When Psychopaths Go to Work*

by Paul Babiak, PhD, and  
Robert D. Hare, PhD

In a day and age when human capital is a primary resource to small and big business alike, these authors offer another tool to apply in the interview process. They've taken the time to explain definitions, share real life examples, and explore techniques to avoid costly mis-hires. An interesting and informative read.

Tammy Hoolsema,  
Richmond Notary
