Travel

Notary Public **Mary-Ann Mustonen**, husband **Dan**, and mom **Marika** travelled to Singapore with Notary **Esther Chiu**. Impressed by the kindness, beauty, and humility of the Indonesian people, Mary Ann says, "One my greatest treasures is to have experienced Indonesia with my mom, who is in her 80th year, and to have seen the part of the world where she lived during the late '40s, working as a Red Cross nurse."

Notary **Trish Fedewich**, husband **Norm**, **Rachel**, 3, and **Michael**, 1, cruised the Caribbean this Spring. Their vessel, Norwegian Sun, visited Grand Cayman where Trish and Norm snorkelled with the sting rays. Other ports of call included Honduras, Belize, and Cozumel, Mexico. Trish is grateful to dad **El Fedewich**, fellow Notary **Dave Rowan**, and her amazing staff, for holding down the fort.
