

Time-Honoured BC Notaries

Retired BC Notaries **Art Jacobson** and **Bob Pound** have been friends since they were Directors of the Vancouver Real Estate Board in 1949.

Although he retired as a Notary in 1977, Art has stayed close to The Society he loves so much. He maintains contact with many of our former members, as well as friends in the real estate industry. Art was President of The Society of Notaries from 1959 to 1962 and Coordinator of the first “formal” Notary Conference.

Bob was a Director of The Society from 1959 to 1963. After travelling the world, Bob and his wife Gladys lived in their Beach Grove retreat, enjoying sunsets and their peaceful view over the water and the adjacent vistas. They also spent many six-month Winters near Palm Desert.

Bob still walks three-quarters of a mile, twice a day, with a walker, “which is better than I can do,” chuckles Art.

Art, 86, often reads to Bob, who will achieve the venerable age of 97 years in 2004. ▲
