

# Letters

Greetings from Sunny California where I am reading your most recent issue of *The Scrivener*, dedicated to BC Women Making a Difference.

I was so impressed with their accomplishments. It certainly makes me feel inspired to strive to make a difference in my life by the way I deal with people on a daily basis.

Thank you for putting this together. It was excellent and such a surprising “twist” in the Notaries’ Quarterly! Great reading material. I am so glad the copy arrived prior to my leaving on the trip.

The Fall issue of *The Scrivener* looks terrific. Well done! Thank you so much for including me among this very impressive group of women.

I thoroughly enjoyed the articles and I commend you for profiling all the good works of these individuals.

Thank you, as always, for your support of our organization and should you ever have the time for a visit out to The Zajac Ranch, please don't hesitate to call me. I'd be happy to give you a tour.
