

THE NOTARY FOUNDATION PARTNERS WITH ENVISION FINANCIAL

Gordon Huston, CEO

BC Notaries and the Notary Foundation are pleased to announce that a new partnership agreement has been reached with Envision Financial, BC's third-largest credit union, with 18 branches throughout BC. For the past three years, the *Globe and Mail's Report on Business Magazine* has recognized Envision Financial as one of the 50 Best Employers in Canada.

Notaries and Credit Unions have worked together for many years. This new agreement provides a good rate of interest return on the monies held in trust accounts by Notaries.

Envision's cooperation will enable the Notary Foundation not only to maintain but increase its support of various legal education programs in British Columbia.

Leta Best, Chair of the Notary Foundation, would like to acknowledge the assistance and leadership shown by Gordon Huston, CEO of Envision Financial.

Since joining the credit union system in 1996, Gord has been active in credit union affairs at both the provincial and national levels. He is a member of the National Initiative Steering Committee and a Board member of the Executive Roundtable and *ad hoc* Committee on Governance Funding & Structure of Credit Union Central of BC.

He is currently a Director of the BCIT Foundation, devoted to building a legacy to support lifelong learning for British Columbians. Gord is also a Director of the Abbotsford Community Foundation, which seeks to enhance and support community activities and improve the quality of life in the City of Abbotsford. He is a sponsor of SOS Children's Village BC, which provides homes and family support, enhancing stability for foster children. ▲
