I was so pleased to see Satnam Sidhu on the front cover of the Fall *Scrivener*. My sales training manager over 12

years ago, he has had a strong influence on my career and real estate sales business.

Satnam is well respected. He deserves recognition for the endless volunteer hours he has spent sitting on various committees, helping to better serve and protect the consumer. We are fortunate to have Satnam as our Council Chair this year.

I wish him continued success.

Congratulations, Satnam!
